

Brickhill Lower School

“Building a better future for your child”

NEWSLETTER

16th September 2016

A message from the head.....

Welcome to our weekly newsletter, especially to all our new families who will be receiving this letter for the first time. We endeavour to celebrate and share the good things that have happened throughout the week as well as to inform you of forthcoming events.

You will hopefully have seen our new office, which although it is not quite finished, helps to present a bright new entrance for the school.

We have new lighting throughout the school which has now been completed and our toilets will be re-furnished in phases throughout the year.

The Key Stage 2 children have started a block of swimming lessons this week which continue until the week commencing 17th October. Please remember to supply your child with a cereal bar, vegetables or fruit (cut up please), outdoor clothing and shoes suitable for the walk, and of course their swimming kit!

If you have not already done so, please complete and return to school your updated Student Information Sheet, Pupil Handover Form (green) and Generic Consent Form (blue), as soon as possible. Thank you.

Mrs Wilson
Headteacher

Congratulations to Miss Hayden and Mr O’Neil on the birth of Isabella Rose on 10th September 2016.

Letter from The Queen

As part of the school activities last year to celebrate Her Majesty’s 90th Birthday, each class picked a different topic on her lifetime to research. Mr Veal and Skylarks chose communication and transport. They then sent a letter which included copies of their topic work to the Queen. On Thursday we were very surprised, and pleased, to receive this response from The Queen.

Our attendance winners last week were Kestrels with 100%
