

Brickhill Lower School

“Building a better future for your child”

NEWSLETTER

19th May 2017

A message from the head.....

On Thursday the Foundation Stage children invited the parents in to school to share their assembly. It was lovely to see so many parents attend and I know the children are always happy to see so many smiling faces that they know.

The Education Welfare Officer continues to monitor our registers throughout the year to ensure that all children are regularly attending school. If any child falls below an attendance rate of 92% a letter will be sent home to parents, and if there is no improvement, they may be invited in for a meeting with the EWO to discuss ways in which we can help to improve their attendance. Brickhill Lower School's aim is to promote regular attendance and good punctuality in order to ensure all students achieve their potential. Our school attendance target for the year is 97%, and we are currently at 96.54%. Thank you to those parents who are helping us to achieve this by bringing their children in to school on a regular basis, and by avoiding taking their children out of school for holidays during term times.

Debbie Wilson
Headteacher

Last day for collection of orders will be Tuesday 23rd May 2017.

This week Dave Farrer, our Vice Chair of Governors, has cycled twice around the Isle of Wight with 3 friends to raise money for the Sue Ryder St. Johns hospice in Moggerhanger. So far they have exceeded their initial target and raised nearly £1300. However it would be great if we could help him increase the total to £1500. If you would like to help a brilliant charity then please click on the following link.....
