A message from the head.....

We have some fabulous readers in our school. Congratulations to Sophia (Year 4) who has again become a millionaire in the Accelerated Reading scheme. Sarah (Year 4) and Tabasom (Year 3) have read 772,739 words and 736,349 respectively. It is lovely to see the children enjoying the books. Well done and keep it up!

When dropping off, or picking up your children, please be considerate to other parents by keeping pathways clear, especially those parents who have pushchairs, so that other people do not need to walk on the mud. Thank you.

Parking is still an ongoing issue, may I please remind you not to block our neighbour’s driveways, or even park on their driveway as in one incident last week!

Mrs Wilson
Headteacher

Well done to Scott (Year 2) who had a mention on Blue Peter last night for his review of the programme and his comments on how it could be improved. He was rewarded with a joke dedicated just to him!

Library Books

If you are having a clear out of old books (fiction or non-fiction) we would love to receive any reading material that you think would be suitable for Year 5 children (age 9-10 year olds) to enable us to begin stocking our library for the new year.

Homework Parent Information

Please find attached our latest version of the above leaflet. It helps to outline what homework is expected of the children in each year group, each week.
