A message from the head.....

We try to send out the majority of our letters by Parentmail, to ensure safe delivery home of important correspondence, and to help save paper. Do please keep your email address updated either by visiting www.parentmail.co.uk or alternatively contacting the school office.

On Tuesday the Foundation Stage held a Curriculum Meeting for parents to help support their children with Numeracy and Reading. The afternoon was well received by the parents who attended. Please do speak to Miss Lobban or Mr O’Neil if you missed the event, or require more information.

Christmas play rehearsals are well under way and if you have any query with regard to the costume you have been asked to supply, please speak to your child’s class teacher. There are still families who have not yet asked for a ticket, so please get your requests in before next Friday 2nd December as the remaining tickets will be released on Monday 5th December.

The footpath from the top of Waveney Green down to Dove Road is being repaired with effect from Monday 28th November. The work is due to start at 9am and they are hoping to complete the work within two days. There may be some disruption to the entrance at Waveney Green so please allow yourself a little extra time to get into school.

We are no longer using the Brickhill Lower School app as our trial period has expired. Please keep an eye on our website as this contains up-to-date information on diary/term dates etc.

The final total for Children in Need was £293.19. Thank you for your kind generosity.
