A message from the head.....

The Year 4 children have had a very busy week. On Monday they attended the ‘Play Day’ music concert at Kings House, Bedford. The children have been working hard over the last couple of months to perfect their ‘Stomp’ based performance. It was a great success, well done to each and everyone of them. Thank you to the parents who came along to support their children.

On Friday they went to see a play called ‘In the Net’. It is a fantastically fun piece of children's theatre that was created out of a growing need to make young people aware of internet safety and the real-world effects of cyber bullying. The play has been seen by hundreds of children around the UK and has proven highly effective at covering:-

- Safe Internet use
- Keeping personal information safe
- The effects of cyber-bullying on others
- What to do if you are being cyber-bullied
- What to do when you get that ‘Uh-Oh!’ feeling
- What to do if you have questions or concerns.

If you have any concerns do please speak to your child’s class teacher.

If your child wishes to have a school lunch please ensure you pay for it **in advance**. If there is any debt at the end of the week we are asking that you provide a packed lunch until the debt is cleared. Thank you.

Similarly, the Before and After School Club invoices should be paid within 7 days from the date of the invoice. Non-payment could result in your child losing a place in either of the clubs.

If you are having difficulty paying, please do speak to a member of staff.

Active Kids
Eat well • Move well • Live well

Active Kids believe it’s never too early for kids to start learning about healthy living, eat well and exercise more. Since the Active Kids programme began back in 2005, they have donated over £170 million worth of equipment and experiences. Vouchers are now available to collect at Sainsburys until 2nd May 2017. Please donate them to our school to enable us to exchange the vouchers for sports and cooking equipment for the children.
