A message from the head.....

We were very pleased to see so many families attending the Christmas Plays this week. The children all performed beautifully, well done to everyone. Thank you for supporting your child by helping them learn their lines and providing costumes. I would also like to thank the staff for helping bring the productions to life. Your generous donations after the performances and for today's Slippers Day have raised £601.95 for Shelter to help the homeless.

On Wednesday Year 4 went to Bedford Corn Exchange to see the Philharmonia Orchestra perform. "Orchestra Unwrapped" is a concert series for school children aged 7-11. The programme offers thousands of children the opportunity to experience live music in an engaging and exciting way, accompanied by the educational resources to fully understand it. The children had a great time and thoroughly enjoyed the amazing experience.
